## PRESS RELEASE

### **Gulf Coast Business Bank (GCBB) has surpassed \$20.5M! (April 1, 2022)**

GCBB has reached the minimum of \$20.5M in capital required to open! The capital raise will continue into April in an effort to obtain the maximum capital allowable of \$23,575,000. So, there is still time to invest. Visit us online at [www.gcbbswfl.com/invest-now](http://www.gcbbswfl.com/invest-now) for more information or to download the offering circular and order forms.

Over 250 business owners and individuals invested from \$10,000 - \$500,000 in a clear show of support for what GCBB will bring to the community. The minimum investment in Gulf Coast Business Bank is \$10,000 in an effort to get as many area businesses and individuals involved in building businesses through a connector bank.

"I want Gulf Coast Business Bank to be a business facilitator within the SWFL market. Having a commercial bank that knows its clients and listens to their needs is good for business growth in the area. We can be that connector and help businesses and businesses owners work together to reach their dreams and goals further strengthening SWFL," says CEO Bill Blevins.

The GCBB branch, located at the northeast corner of Crystal Drive and Metro Parkway in Fort Myers, is renovated and ready to house a team of professionals who are excited to serve Lee & Collier counties and focus on the dreams and goals of clients.

### **Why Invest in Your Community Bank?**

There is an opportunity to be a founding investor of a locally-owned and operated bank – with decisions made by those living within the area they serve. The rapid growth in Southwest Florida means this is a great time to be a part of creating a strong business community.
